

MERCO TAPE – TECHNICAL DATA SHEET

Merco M420 series STATIONERY TAPE

Merco M420 series Stationery Tape is a clear polypropylene tape intended for office, home and school environments, for light packaging, tabbing, bundling and similar applications. Use it where clear properties are needed and cost savings are desired over traditional paper masking tape.

Merco M420 series Stationery Tape is coated with a clear, non-yellowing acrylic adhesive. It is hand tearable although we would highly recommend a dispenser similar to our Italian-made BD or MD series dispensers. This tape is wound on an industry standard 3" core (the larger core) and will fit any dispenser with that size spindle.

Color:	Clear
Thickness:	1.75 mil
Adhesion to steel:	19.4 oz./in width
Tensile strength:	19.8 lbs./in width
Elongation:	150%
Temperature Range:	32F to 176F
Widths:	1/2", 3/4" and 1"
Length:	2592 in. (72 yds)

Similar in performance and specifications to Scotch® Tape 600 Transparent tape
