

MERCO TAPE – TECHNICAL DATA SHEET

Merco M719 series PVC Carton Sealing Tape

Made in the E.U. (Germany or Italy, as available)

Merco M719 series PVC Carton Sealing Tape is a superior grade of packaging tape, offering excellent sealing for corrugated and linerboard boxes, those exposed to rougher and more challenging shipping hazards and stresses. It is ideally suited for difficult applications such as high-recycle content cartons, heavy printing and ink coverage, dusty or dirty environments, humid conditions and temperature extremes.

Merco M719 series PVC Carton Sealing Tape is well suited for use with heavy cartons. It's natural rubber adhesive allows smooth unwind without spinning on the dispenser without the noise of polypropylene tapes. Leading recycling companies and paper mills indicate this product does not interfere with recycling.

Merco M719 series PVC Carton Sealing Tape can be torn by hand, although shameless plug, we highly recommend our **T30R-50PVC** and **T30R-75PVC Italian-made Carton Sealing Tape Dispensers**. These dispensers are brakeless allowing ease of use.

Merco M719 series PVC Carton Sealing Tape is available in industry-standard **CLEAR and TAN**, in **48mm and 72mm, 55-yard-long rolls**.

Tensile: 25 lbs./inch of width	Adhesion to Steel: 30 oz/inch of width	Thickness: 2.2 mils	Elongation: 75 %
